

PRINCIPAL'S POST

Welcome back to 2021! We have had a fantastic start to the school year with our classroom learning programmes. A huge welcome to all of our new SRS families.

Alert Level 3 – We were shocked with the suddenness of being put into Alert Level 3. However as a school we have very strong systems in place to support Home Learning. Thank you to our wonderful teachers and support team to ensure we are delivering high quality programmes. And thank you to all the parents for your support. If you have any questions regarding Home Learning please contact your child's teacher. We will continue to update when we have more information and hope we will all be back at school together on Thursday 18 February.

Meet the Teacher 3 February – Thank you to all the families who attended these meetings. The feedback from families and teachers was how beneficial these were.

School Property – Over the summer break we have continued to upgrade our school. Lights and a sound system have been installed into the Jenny Bristow Sports Court and Canopy. Astro Turf has been installed near the swimming pool and extra security cameras have been erected around the school. An art mural has also been put up along the Stanhope Road School entrance. Thank you to the Parent Group for contributing to the sound system and art mural.

School Donations – Once again Stanhope Road School has opted into the Government's donations scheme. This means we will not ask parents for any activity fees this year except for Year 7 & 8 Technology, Year 8 Camp, Sports, Choir, Cultural Trips or overnight stays.

However, anyone can choose to make a donation to the school at any time. Donation tax receipts can be claimed and GST is not payable. Donations can be paid into the school bank account 12 3109 0012738 000, at the office or via Kindo.

Communication – In terms of communication this year, our newsletter will continue to come out every second Wednesday throughout the term. This channel is where we communicate important messages and events. Smaller messages and reminders are communicated through our school app, email and Facebook throughout

ROAD SAFETY – PLEA TO OUR COMMUNITY

Can we please ask that all our community be very courteous around our three busy school crossings and entrances. Our staff monitor these crossings and it is their responsibility to ensure the safety of our students.

We are saddened to hear of some of the behaviours that are being displayed at our crossings. Please do not park on yellow lines as this obscures the vision for our road patrollers. Pedestrians, please wait until the trained Road Patrollers advise you to cross safely.

FROM THE SCHOOL OFFICE

Stationery 2021 – Many thanks to all our families for ordering your stationery through Kindo. The beginning of the year is a very busy time for us and managing the logistics of 600 stationery packs can be very challenging! If your child has not received their stationery and you have ordered it, please phone Kindo on 0508 454 636 to check the status of your order. If you need WINZ assistance, please see the school website for details.

School App – As we begin the new school year, remember to sign up for important alerts relating to your child's year level/s. You can do this in the menu section on the app:

- Alert Subscriptions
- Year Level
- Groups (Road Patrol/Tironui Music Group)

Asthma Inhalers – If your child requires an Asthma inhaler to be kept at school, please bring this into the school office.

WHĀNAU GROUPS 2021!

RANGINUI, TANGAROA, RŪAUMOKO, PAPTŪĀNUKU – are you ready?!

This year we are very excited to continue building our awesome whānau groups and seeing which whānau group comes out on top for 2021!

How it works

Each student is a part of a whānau group. Within this group, students get to know other students from all over the school, working together to sing chants, develop teamwork, and verse other whānau's in a range of activities and challenges. Led by their whānau leaders, students work collaboratively to earn points for their whānau—either on whole school competition days or within their own teams/ classes.

Whānau competition days

On the days where whānau events are held, students are able to dress up in their whānau colours and work with students from all over the school to help earn points for their whānau. Events vary, and include events such as: chant offs, team-building days, Fun Runs, inter-whānau challenges and more!

Celebrations

Each week the whānau points are collected, and at the end of each term the whānau with the

most points WINS. To celebrate their fabulous teamwork and dedication to their SRS family/ whānau, this group gets their very own mufti day and a prize just for them at the end of the term.

Whānau Champions

Over the entire year all points are continually added, and the whānau with the most points at the end of the

year are crowned the WHĀNAU CHAMPIONS! This whānau wins the whānau trophy and has their very own whānau celebration day! They also become the whānau to beat!

Last year, Rūaumoko came out on top – who will it be this year?!

TE KAUPAPARI SUSTAINABILITY

Te Kaupapari

the scattering of seeds · our sustainability journey

It's been a dry summer holiday for our school gardens but there was some produce harvested to share at morning tea last week.

Our students gain a lot from growing our own food and this starts with the soil. We would really like to focus on developing the soil in our vegetable gardens and are looking to ramp up our production of beautiful, rich, nutritious compost.

Do you have chickens, rabbits, guinea pigs or other small pets? We would love to take any used bedding straw/hay and droppings (not from cats or dogs) that you are wanting to dispose of. Please chat with Susan to arrange drop off to school. We'll turn your pet's waste into black gold!

Speaking of gold, our bees have been very busy this summer creating beautiful liquid gold! We have a new batch of raw honey available for sale for \$12 a jar (now via Kindo also). It is gorgeously runny honey and tastes delicious!

STANHOPE ROAD SCHOOL BREAKFAST CLUB
