

28 February 2021

Dear Parents/Caregivers

Last night we learnt that Auckland is once again moving to Alert Level 3 for the next seven days.

This means **school will be closed on Monday 1st-5th March** and students will once again learn from home. The vast majority of our staff will be working from home and we will only have a very minimal number of staff on site at any time.

**Home Learning:** Our full 'Home Learning' Programme will begin again on Monday, please look for communication from your child's teacher via Seesaw and email today.

We will have capacity for a small number of children whose parents are **ESSENTIAL WORKERS**. You must register your child's attendance for this. Any children who arrive at school will be supervised from 8.45am -3.00pm only.

**Please complete the link below as soon as possible, if you need to register your child if you are an ESSENTIAL WORKER before 7.00pm (complete for each child please).**

[Attendance Register Survey](#)

**School owned devices:** We are able to hand out school owned devices to assist with Home Learning. It is most ideal to have one device per child. If you would like to request a device, please can you complete this form by 4.00pm this afternoon. [Device Request Survey](#)

From this information you will be contacted directly via email or text message to arrange a contactless pick up from the school. **This pick up will be between 9.00am and 11.00am on Monday 1st March** from the PAC. Please ensure you scan in at the **ELLERSLIE/MT WELLINGTON HIGHWAY GATE** using the school QR code and practice social distancing.

### **MoE Learning Hard packs**

We still have a limited supply of MoE Hard packs if you have not previously had one and would now like one, please collect from the **PAC between 9.00am and 11.00am on Monday 1st March.**

We are very aware that this extension will impact on families in different ways. Many students will be upset to be missing school and some may be feeling anxious. Please know that we are here to support you in whatever way we can. We know how to do this and we do it well!

Stay safe and take care.
