

12 March 2021

Dear Parents & Caregivers

It is fantastic news that we have now moved back to Alert Level 1.

At Alert level 1 we will continue to follow all appropriate health measures at school including maintaining cleaning and disinfecting practices and encouraging good hygiene standards. We will also continue to expect people to stay home if they are unwell and to seek medical advice.

Parents & caregivers are welcome onsite before and after school but are asked to proactively 'check in' on the COVID-19 tracer app. Thank you in advance for your ongoing support, as we continue to unite against COVID-19.

Drinking fountains have re-opened however we would encourage your child to bring along their own drink bottles.

Thank you for your ongoing support over the last week, while we have been under Alert Level 2 restrictions.

Ngā mihi nui
