## PRINCIPAL'S POST

I regularly receive emails and phone calls praising the wonderful staff at Stanhope Road School. We are extremely lucky to have amazing staff across our whole school. Our staff are truly our greatest asset! Our teachers work incredibly hard to provide the best opportunities possible for our children. Our support and admin staff take care of

all the tasks that keep our school running.

From time to time we all make mistakes and these are never intentional. If you do ever have any concerns I ask that you address this promptly, through the correct channels and please do this in a respectful and polite manner at all times.

**RESILIENCE:** One of our four key values is resilience and this is crucial in the world we live in and sets children up for success. As parents there are a number of ways you can help build resilience at home. These include:

**Model good coping skills** – Teach by example. When your own emotions are high, say things like, "I can tell I'm getting frustrated. So, I'm going to take a deep breath (or pray, or take a little walk, etc.) before I try again." Or, "I'm sorry I got angry. I need to try again."

**Praise effort, not just success** – Children should understand that success is a product of hard work and sacrifice. But even when they try hard, sometimes they'll fail. Commend your children for trying, then encourage them to figure out what's going wrong and to try another approach or practice more. Celebrate small steps in the right direction.

**Praise more than you correct** – Do you find yourself constantly scolding? Make an effort to point out small daily victories. "You're ready on time. Nice job!" "Thank you for being so reverent during the prayer." Sincere praise helps children feel encouraged, understand more clearly what is expected, and be more willing to take on challenges.

**Teach that mistakes and failure are part of life** – Emphasise that your child's worth does not depend on success or winning. You will always love them. This will help your child feel comfortable discussing their mistakes and problems with you. As they grow to understand mistakes are temporary and are an opportunity to learn and grow.

**SCHOOL SPONSORSHIP:** We are very fortunate to have wonderful companies who sponsor our school yearly and contribute to our school in many ways. New World Lunn Ave, Pak & Save Glen Innes and JP Homes have been amazing sponsors and we would like to welcome onboard Keelys Osorio Barfoot & Thompson who is a new school sponsor. Please support our school sponsors as their contribution helps us provide extra opportunities for our students.

If you would like to sponsor our school or know anyone who would like to support us please contact the school office [office@stanhope.school.nz](mailto:office@stanhope.school.nz).

## CONTACT DETAILS

We are preparing to send end of term school reports home by email at the end of this term.

Please ensure we have your correct email contact details. Any changes can be emailed into [office@stanhope.school.nz](mailto:office@stanhope.school.nz).

**SCHOOL DISCO:** Thank you to our wonderful Parent Group who are organising our school disco this Friday. The Parent Group works tirelessly for our school, so please support the disco this Friday evening. Tickets must be purchased via Kindo before midnight Thursday.

**SCHOOL PLAYGROUND SPACES:** We are very excited to announce that in August we will be installing astroturf in the Tupuranga Courtyard. As well as this we will be installing a [lilypad basket swing](#) near the spinner playground. The funding of both these projects have been paid for by the Milestone Foundation and NZCT.

Have a wonderful rest of your week and stay safe.

## WINTER SICKNESS AND ABSENCE

A reminder to all parents and caregivers that if your child is unwell it is expected that they stay at home. Whilst we move into the cold and flu season we are beginning to see more and more children at school with sickness that can easily be spread to other students and staff.

Please ensure you contact the school office **each day** your child is absent from school with a valid reason for their absence. If your child is away for three days we will require a medical certificate. If we do not receive notification from you this absence is marked as Truant.

We are currently seeing cases of Chickenpox and Headlice within the school.

## STARSHIP DRESS UP DAY

Thank you to everyone who contributed to this cause. We set a target of \$1,000 to raise for Starship PICU new bed appeal and we were amazed and thrilled to exceed that target and raise a whopping **\$3,195.40**. This once again shows what a fabulous school community we have!

## PHOTOLIFE DEADLINE TO ORDER

Please remember to order class and individual photos.

The last day to order these for free delivery is **Sunday 27 June**.

## SCHOOL APP FRIDGELIST/SCHOOL CALENDAR

### Reminder

We use our school app to send out important reminders and notices. On Sunday evening we send out a Weekly Fridgelist with important reminders of events happening during the week. The app also shows important upcoming calendar events that we continually update. Instructions on how to download the app can be found on the last page of this newsletter. This is a great tool to help keep you informed.

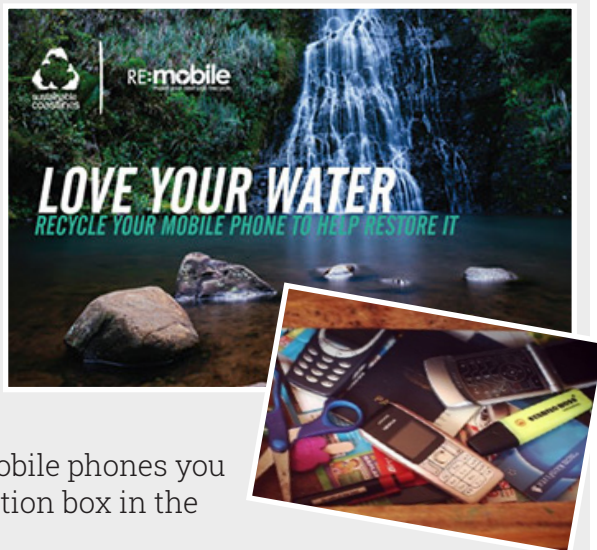

## OLD MOBILE PHONE COLLECTION

**Did you know that after rainfall 69% of NZ's rivers are deemed unsafe for swimming due to contamination?**

With statistics like this The Mobile Phone Appeal is excited to partner with Sustainable Coastlines as the chosen beneficiary for The Mobile Phone Appeal.

That means it's time again to rummage through your drawers and toy boxes and bring into school any unwanted mobile phones you may have. Phones collected help reduce waste sent to landfills, save valuable materials and energy and help look after New Zealand's waterways. Please drop any unwanted mobile phones you may have in the collection box in the school reception.

We believe the future of our beautiful coastline and waterways can only be secured if we all work together.

## TE REO - SRS KUPU OF THE MONTH

### KIA ORA

Kia ora Stanhope Road School community. Whānau, we encourage you to continue using our kupu and phrases we have learnt this year at home with your tamariki and whānau. Below are our new phrases being introduced to the classrooms this week. Ngā mihi.

## TE KAUPAPARI SUSTAINABILITY

Kia ora whānau,

As Term 2 progresses, Tupuranga have been digging deeper into their environment, thinking critically and putting their problem solving hats on! Have a look at their ideas below.
